Each team begins with two cards. Collect more throughout the course. Best Five-Card Poker hand at the end wins! Earn extra cards for bringing a guest, being a new guest, birdies and chip-ins!

14th- TRIVIA NIGHT

Answer questions correctly *or incorrectly* may have a great impact on your score. Questions vary from music to movies to science and more. Team work will be your friend!

21st- SCORE ERASER

Once all teams have finished, three random holes will be drawn. Your scores from those holes will be erased from your scorecard. Lowest & Highest Scoring team wins!

28th- MATCH & SPLASH

After teams have been assigned and prior to Tee-off, you will guess YOUR final score and the score of two other combined teams (who are on a different starting hole). Closest guesses at the end of the night wins! After your stellar guessing abilities, stick around for more laughs, drinks, a swim or just lounging poolside!
